Assembly Instructions

┄┄┄┄ **Mountain fold** (dotted line) *Make a mountain fold.	──── **Scissors line** (solid line) *Cut along the line.
─·─·─· **Valley fold** (dashed and dotted line) *Make a valley fold.	──── **Cut in line** (solid line) *Make a cut.
▲ **Black triangle** Glue here	△ **White triangle** Glue the back

✂ **You will need** ✂

scissors, paste, a used ballpoint pen (tracing along the fold lines makes them easier to fold)

⚠ **Caution**:Glue, scissors, and other tools may be dangerous to young children so be sure to keep them out of the reach of young children.

1 Cut out the parts and crease them along the fold lines indicated.

● Part A ● Part C ● Stickers

● Part B ● Part D

● Part E ● Supports

● Butterfly (Left) ● Butterfly (Right)
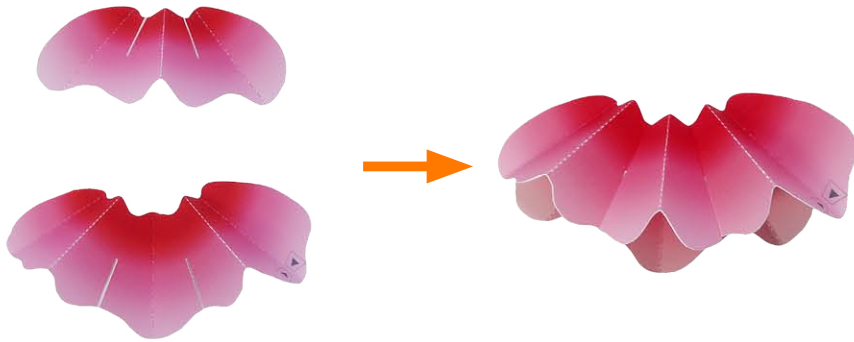

● Front cover ● Back cover ● Base

**2** Slot parts A and B together.

**3** Slot parts C and D together, as you did in step 2.

**4** Attach supports to the glue spots on the parts made in step 3.

5 Put the two halves of the butterfly together, joining them at the slots shown in red.

**6** Paste the parts from step 5 to the supports from step 4.

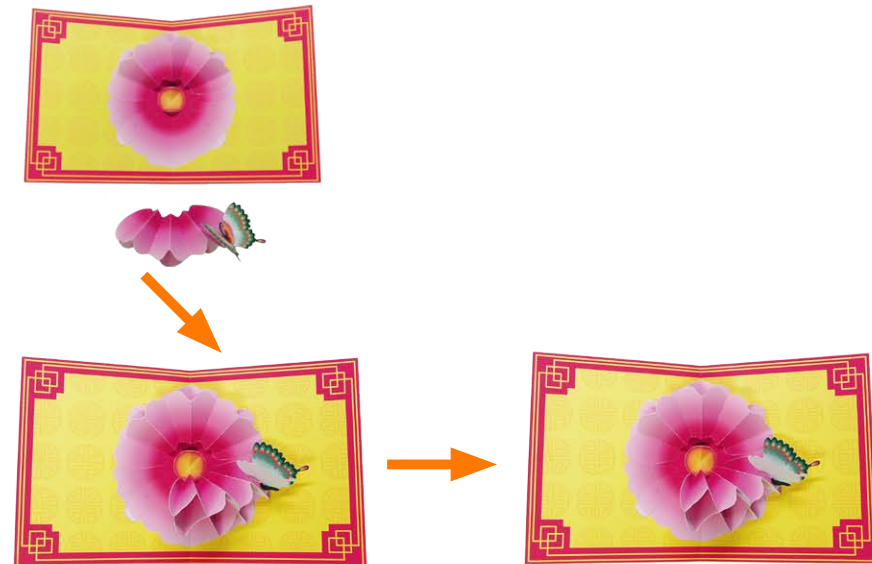

7 Paste parts E, one at a time, to the base.

8 Take each part made in step 2 and glue it to the base, starting from the center.

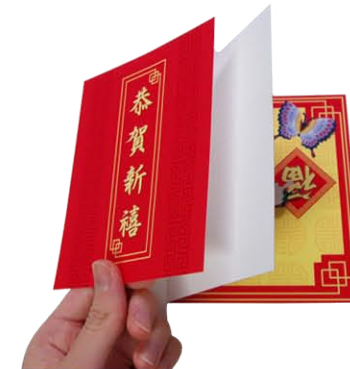

9 Take each part made in step 6 and glue it to the base, starting from the center.

10 Decorate with stickers as you like.

11 Paste the front cover onto the back of the left hand side of the base.

12 Finally, paste the back cover onto the back of the right hand side of the base.
